

Annual County/District Councillor report

A very difficult year for everyone with Covid. My thoughts and prayers go out to all who have suffered losses of family members and friends.

Never before have I experienced the County Council/District Council working so well together with the Here to Help campaign. This has been wonderfully supported by communities helping each other. Kindness is an understatement.

I have continued to support your Parish Council at County and District level and try my best to get issues sorted regarding highways, speeding, flooding, planning and the rural bus service (Norton Connector) which I have supported with a contribution from my Members Divisional fund.

As I write this note to your Parish Annual Meeting, I am days away from retiring as your County Councillor after 16 years, although I do remain on the District Council for Norton and Whittington where I started back in 1999. I am committed to represent you and your Parish Council in my role as local Wychavon Member and in my role as Executive Board Member for Strong Communities, Culture and Sport. It is important as we come out of lockdown that our economy grows together with supporting your family and businesses.

May I finish by thanking your Chairman Kevin Fincher, your Clerk Jane Greenway and the Parish Council for their help, support and hard work over the last 12 months.

Keep safe and best wishes.

Cllr Rob Adams
